

CHALFONT PARK CANOE CLUB

EVENTS

There will be events for 2nd Division, Mens K.I, Ladies K.I, C.I's, C.2's and judges and an open Team Event. The Team Event and Canadian Events will be on Saturday, the Individual K.I Events on Sunday. All competitors will start at stated times.

THE SITE

Marsh Lock Weir, Henley-on-Thames: Map Reference 774816 Sheet 159 "5" signs will direct the way to the lock.

SAFETY

Life jackets conforming to I.C.F. specifications must be worn at all times when on the water. Boats must be rendered unsinkable and must have regulation loops at each end.

FAILURE TO COMPLY WITH SAFETY REGULATIONS WILL MEAN DISQUALI-FICATIONS.

PRACTICE

Practice will be allowed only after the course has been fully erected but may be restricted to only one run per competitor.

NUMBERS

Must be on regulation 9" circles. Team numbers must be preceded by the letter "T" on 9" squares, or teams may wear uniformly coloured bibs with the name of the team conspicuously displayed, e.g. CHALFONT A etc. squares and discs must be displayed on the right foredeck and left sterndeck. Competitors not clearly showing their own competition number will not be allowed to start.

CAMPING

Will be at Swiss Farm M.R. 761835 Sheet 159. Toilets, hot and cold water are available at the site, no fires are allowed on the site. Payment will be made to the farm.

EMBARKATION

Competitors will not be allowed to embark into or disembark from their craft within 30 yards of the bridge.

Cover Photo - Geoff Dinsdale winning at Grandfully.

CAR PARKING

On no account are cars to be parked along Mill Lane. Cars (and any other form of transport) must be parked in the car park on the left hand side along Mill Lane.

OFFENDERS WILL BE DISQUALIFIED FROM THE EVENT.

BEHAVIOUR OF COMPETITORS

In view of the unruly behaviour of a group of competitors at a previous Slalom which caused a great deal of trouble with the local residents, the club will take strong action against any offenders. Such offenders will be disqualified, barred from future events, and reported to the Slalom Committee of the B.C.U.

YOU HAVE BEEN WARNED

ACKNOWLED GEMENTS

The organisers would like to thank sincerely:

Lady Peel: The Thames River Authority Mike Clark: Mrs. Janet Harber: Llyn David:

Stewart Fraser,

Mr. & Mrs. Handyside:

Mr. & Mrs. Evans:

and all members of other canoe clubs who have helped run this event.

REMINDER

Competitors must send their B.C.U. Membership card to their ranking list compiler with a stamped addressed envelope as soon as possible and not later than the last slalom of their division in 1974.

The Competition Rules

The competition is being run in accordance with B.C.U. Slalom Rules.

Individual competitor's scores are made up from the time taken to complete the course (in seconds) plus any penalty points (expressed in seconds).

Competitors should go through all the gates in proper sequence taking each gate in the right direction, i.e. always having red/white pole on their left and green/white pole on their right; taking each gate from the proper side, i.e. that side from which the gate number is seen not to be disfigured by a diagonal red bar; and without touching poles.

If gates are not done correctly penalties are awarded as follows:-

10 points - Going through the gate but touching one pole in the process.

20 points - Going through the gate but touching both poles in the process.

Outside touch on the gate provided it is followed by a successful negotiation (with 0, 10 or 20 penalties).

Wrong colour presentation and wrong entry, provided before an inside touch occurs and before the body cuts the gate line, a disengagement occurs and is followed by a negotiation of 10, 20 or 50.

50 points - Outside touch not followed by passage of boat.

Wrong presentation and wrong entry not followed by passage.

Deliberate displacement of poles.

Eskimo rolling in gateline.

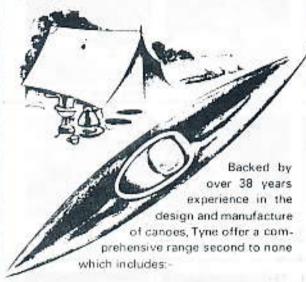

Boat does not cross gateline.

Body does not pass between poles.

The above is only a summary of the rules condensing six printed pages relating to penalties from the slalom rules.

TYNE CANOES

With ample space for stowage you can pack all you need for camping in a Tyne Canoe.

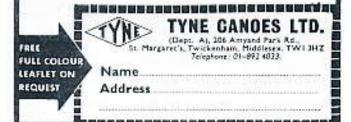

- Single and two seaters
- Touring
- Sports
- Slatom
- Canadian
- Folding
- DIY Kits
- Paddles Accessories Materials

Built to rigid standards in GRP. Choice of colours: Cast-in-buoyancy in all GRP canoes. Fail safe' footrests for single seater canoes.

FOR QUALITY AND VALUE CHOOSE YOUR CANOE FROM THIS PROVEN RANGE.

DIY KITS Easy to build kits for single and double seater canoes complete with all materials, fittings and detailed instructions.

A paddler interested in slalom has to enter two Novice Events on relatively gentle water. He then goes into Division Four and by competing in ranking slaloms does his best (by winning or getting a good average result) to get into 1st Division via Divisions 2 & 3.

C.2 competitions have been in British events since 1966. The number competing is still growing and there are now 2 Divisions and a novice class.

C.1's Started competitively in this country in 1968 and has become a fast growing class of boat to compete in. There are also 2 Divisions and a novice class for this boat.

In 1970 a national team championship was introduced. This became very popular but is only contested at 1st Division Staloms. This event should provide very good practice for many teams.

MOUNTED CUSTOM PRINTS

From the extensive files of Mike Clark, a selection of outstanding photographs has been chosen for a limited number of highquality custom prints, dry press mounted on white art board. A set from the 1973 Grand Eanyon Trip, a number of prints from the Augsburg Olympic Statom, and others from Statom, Wild Water, Sprint, and Touring, All prints may be purchased individually or in their sets. These fine prints, on double weight white fine lustre paper, are of 12 x 10 size with one inch of board all round. The custom prints are suitable for display and look really great if set off slightly from the wall on small blocks, or if framed to create a focal point for home, office, shop or club. Other prints will be added to the collection from issue to issue. Use order form as below.

CHALFONT PARK CANOE CLUB

The club was founded in 1952 at a Research centre at Chalfont Park, Buckinghamshire. Its home waters are Hambleden Weir just below Henley on the River Thames, and has a club house at Mill End, Hambleden. The current membership of the club is around 130 members. Since it was founded the club has made a notable contribution to the history and development of British Canaeing. Members of the club, both past and present, have achieved several distinctions in the sport of canaeing.

The club can boast a Slalom Kayak World Champion and a Bronze Medallist at a World Championship as well as several members who have represented Great Britain at International Events in Slalom, White Water Racing, Sprint Racing and Long Distance Racing. Several National Champsionships have been gained and a Chalfonter has even won a Gold Medal in the sports section of the World Press Photographic Competition.

The prime interest is obviously Slalom Canoeing, and anybody interested may visit the club to meet the members and consider joining.

The Secretary is Steve Wyatt and his address is:

39 Windsor Road, Harrow Weald, Middlesex. 01 863 5989

Any interested parties may contact him or the club Publicity Officer, John Handyside:

40 Parkside, Cricklewood, NW2 6RJ. 01 452 9180
